	TELEGRAPH POLE
	UNABLE TO OPEN
	UNABLE TO SURVEY
	VALVE
	WATER LEVEL
	WATER METRE
	WATER VALVE

Note:
 Significant care has been exercised with all reasonable steps taken in surveying & identifying drainage features. Survey points are obtained by GPS with underground pipe sizes & identification of service lines estimated by eye. All surface and foul water layouts & drainage levels should be verified with a CIPR Survey and/or Irish Water mapping where available. No liability shall attach to the surveyor.

Datum: OSi
